PROFILE SUMMARY

Brand Management professional with 1+ year of experience at **Nykaa Beauty**, specialising in strategic **brand evaluation** and vendor lifecycle management. Passionate about identifying **high-potential brands** through consumer, category, and market insights to build differentiated, high-performing portfolios.

WORK EXPERIENCE

Assistant Manager – Brand Onboarding June' 25 - Present

Nykaa Beauty | Worli, Mumbai

- Evaluated **550+ beauty brands** using a structured framework, leveraging **category and consumer insights** to enable value-led onboarding, identifying brands aligned with Nykaa's portfolio priorities.
- Collaborated with **Business Intelligence** teams to identify **assortment gaps**, monitor **category health**, and support data-driven portfolio decisions.
- Led the **onboarding** of **50+ brands** and **strategic offboarding** of **230+ brands**, partnering with cross-functional teams to optimise portfolio quality while ensuring seamless brand transitions.
- Designed the "How to **Build a Brand on Nykaa**" playbook, equipping brand partners with platform best practices and scalable growth guidance.
- Prepared portfolio review decks for **senior leadership** and collaborated with **brand founders** to assess business potential and support strategic decisions.

CRM Closer Intern May'24 - July'24

HDFC Bank I Lower Parel, Mumbai

- Developed training presentations and visual communication assets for the **VYMO CRM** platform, supporting adoption across **1,000+ sales managers**.
- Analysed CRM workflows and collaborated with stakeholders to streamline lead management, contributing to a **10% reduction** in customer complaints.

Content Marketing Intern June'22 –Oct'22

Business Into Brand

- Managed a diverse **client portfolio**, serving as the primary point of contact while driving **Meta ad campaigns**, SEO research, and social media to ensure exceptional delivery.
- Collaborated with the social media team and expanded account reach to **70,400+** users, marking an impressive **267% growth** compared to the previous month

LIVE PROJECTS & RESEARCH

Sanjay's Snacks | Live Project

- Led a comprehensive live project for Sanjay's, crafting **brand assets**, **campaign strategy**, and go-to-market planning to elevate its B2C presence.

Arvind Limited | Live Project

- Designed the EmpowHER initiative through stakeholder research and recommendations to strengthen employer branding and workplace inclusivity.

Research Paper – The Dopamine Economy : How Neuromarketing Explains Gen Z's Obsession with Instant Gratification

- Investigated the role of dopamine in shaping **Gen-Z's consumer behaviour**, decoding how reward mechanisms influence purchase decisions and brand engagement.
- Examined the influence of **AI-driven personalisation, urgency cues**, and app design on Gen-Z purchase decisions in **Quick Commerce**.
